

2025 Mountainside Public Library

Program sponsored by the Friends of the library

Outreach Learning Talks

Three Monday Afternoons: July 14, 28 & August 11

2-3:00 pm for ages 4-9 with adults

July 14: Animal Adaptations

What is an adaptation? See examples of both physical and behavioral adaptations as demonstrated by a variety of zoo animal ambassadors.

July 28: Animal Habitats

Every wild habitat supplies its inhabitants with what they need to live, but also presents challenges. You will explore a few major habitats, meet some animal ambassadors, discover how habitats provide basic needs and how environmental challenges are managed.

August 11: Animal Myths

This program presents and analyzes some myths and misconceptions about animals. You will meet live animals and discover that fact, while different from fiction, is just as amazing.

Register by calling the library during open hours: 908-233-0115.
